Annual Report - 08

MESSAGE FROM THE CHAIRMAN

Bismillahir Rahmanir Rahim

Dear Shareholders,

It is my pleasure to place the Annual Report of Intraco Refueling Station Ltd, for the year ended June 30, 2019. On behalf of the Board of Directors, I would like to welcome you all at the 12th Annual General Meeting of Intraco Refueling Station Ltd. I would also like to take the opportunity to share and exchange our thoughts and views on the performance of the company in the past years and the potentials and possibilities going forward. Your Company continued to deliver excellent underlying performance in this year, despite challenging conditions. The Board of Directors and Management ensured the sustainable growth in business and committed to delivering long term value to the shareholders and other stakeholders.

In 2019, the Company has maintained its stable profit from operation. It is expected that positive trend will continue in the coming years. Based on performance and business results the Board has recommended 10% stock dividend for all shareholders for the year 2018-2019.

Presently, the company is trying to engage in LPG business in Bangladesh through establishing Auto Gas station with existing CNG refueling station. In this prospective, Intraco Group has established the first digital LPG auto gas filling station in Bogura, on October 8, 2017. Auto gas is the common name for LPG when it is used as a fuel in internal combustion engines in vehicles as well as in stationary applications such as generators. It is a mixture of propane and butane. LPG gas has gained popularity across the world as an environment-friendly fuel instead of octane, petrol and diesel for the vehicles. The cost of using LPG in the vehicles is lower than the fossil fuel. It is also possible to save a huge amount of foreign currency by using auto gas instead of conventional liquid fuel. According to the statistics of the Bangladesh Road Transport Authority (BRTA), there are some 10,000 LPG-run vehicles on the country's roads. Every month, about 90–100 new vehicles are being converted to run on LPG. So, this sector will be attractive to the investors in future for increasing demand day by day.

Reflecting on the success of 2018-2019, let me express my sincere thanks and appreciations to you all, our valued customers, suppliers, distributors, shareholders, bankers, members of the Board, Members of the Executive Committee, employees of the company for their confidence in us and valuable contribution to the company throughout the year 2018-2019.

I would also like to thank the Government bodies, Bangladesh Securities & Exchange Commission (BSEC), Dhaka Stock Exchange Ltd (DSE), Chittagong Stock Exchange Ltd (CSE) and other statutory bodies for their support for the various activities of the company.

I wish the company every success and a sustainable future. Looking to the future, I am confident that we have the right strategic focus, people and resources to deliver continued growth in the years ahead.

Thank you once again for being with Intraco Refueling Station Ltd.

H M Hakim Ali Chairman

MESSAGE FROM THE MANAGING DIRECTOR

Bismillahir Rahmanir Rahim

Dear Valued shareholders, Assalamualikum

It is my pleasure and privilege to present before you the annual report that explains the performances and achievements of another successful year of your company. With your active support, Intraco Refueling Station Ltd has been able to maintain and enhance its reputation and has become a revered name in the energy sector of the company. We are continuously striving to improve efficiency in operation, maximization of CNG generation and cost effectiveness in all aspects of business. The management discussion and analysis representing detailed analysis of the company's position and operations along with a brief discussion of changes in the financial statements in the year ended 30 June 2019, among others, focusing on:-

The business performance of the company is growing and indicating up trend. The gross margin of the company for the year 2018-2019 was BDT 19.37 Crore, up by BDT 2.89 Crore from the previous year. On the other hand, the net profit margin of the company for the year 2018-2019 was 9.43 Crore, up by 3.27 Crore from the previous year. This increase was driven by gas selling price increase, sales volume growth, effective cost management and productivity initiatives across the company. It is very much promising that the energy industry of Bangladesh has become one of the leading players in our country due to endless demand of the country. Apart from sustainable business performance, we are proud for the awarded CIP 2017 (Industry) to contribution in large-scale industries (Services).

However, considering the growing demand of the industry in recent years, the company has taken decision to expand the business in LPG sector. Primarily, we have taken initiative to set up LPG station within existing CNG station and afterwards we will do it all over the country.

In the last year in annual general meeting we have taken decision for set up a LPG bottling plant in potenga, Chottorgram by using IPO fund. But the decision for establishment of LPG bottling plant has been deferred for years with respect to fulfillment of numerous regulatory compliance issues. Consequently, the board of directors of the company has decided to change their earlier decision with regard to utilization of IPO proceeds. Earlier, it was decided to establish a bottling plant at Patenga, Chittagong. However, now the Board of Director, for the betterment and viability of the project, has decided to purchase a newly-built LPG cylinder manufacturing factory situating at Sadar Dokkhin, Comilla, subject to approval of the shareholders in the 12th AGM of the company. It is a factory of 40,000 sft steel-structured building having modern machineries for manufacturing LPG cylinder. The production capacity of the factory is 2000 pieces cylinder per shift in a day. The purchase cost of the factory will be Tk 31.50 crore. This project will be more profitable for the company, comparing to earlier decision of establishing a bottling plant at Potenga, Chittagong.

The company is committed to ensure regulatory compliance and environment friendly responsible operations in this sector. We have always been clear that we support and abide by all the laws and regulations of the country. The company is carrying out all of its activities by following the company Act, 1994, Rules and Regulations of Bangladesh Securities and Exchanges Commission (BSEC), DSE listing regulations, Income Tax Ordinance 1984, Bangladesh Labor Act 2006, and other related rules and regulations.

I express my gratitude to all employees of the Company for their hard endeavor they have put during the year under review. I would also like to express my sincere appreciation to our valued shareholders, customers, suppliers of the machineries, bankers, Dhaka stock Exchange Limited, Chittagong stock Exchange Limited, Bangladesh Securities and Exchange Commission, Central Depository Bangladesh Limited, Registrar of Joint Stock Companies and Firms and Government Agencies for their trust and continued support to the Company.

Wishing our all success for all the time ahead.

Thanking you all

(Mohammed Riyadh Ali) Managing Director

Dear Shareholders

Assalamualaikum

On behalf of the Board of Directors of Intraco Refueling Station Limited, I welcome you all to the 12th Annual General Meeting. It is a pleasure to present to you the Audited Financial Statements of the Company for the year ended June 30, 2019, Auditors' Report and the Directors' Report thereon along with Company's performance and other matters in terms of Companies Act 1994, Listing regulations of DSE and CSE, the guidelines issued by Bangladesh Securities and Exchange Commission (BSEC) and International Accounting Standards and other applicable rules & regulations.

Background

Natural Gas in Bangladesh is one of God gifted nature resources in Bangladesh. This is the driving force to build up our nation industrially and as well as financially. With a view to ensure multidimensional use of this natural resource, Government has taken a step to use this natural gas to the vehicle in order to reduce the air pollution, save hard earned foreign currency by reducing the input of fuel oil from abroad. To implement this vision of the government, we, with the responsibility to inspire the public to use CNG, we have developed 8 (Eight) CNG stations under this company.

Our Present installations:

At the moment, we have following 8 (Eight) CNG stations under the Natural Gas Distribution Company of Titas Gas Transmission & Distribution Company Limited (TGTDCL), Bakhrabad Gas Distribution Company Limited and Karnafuli Gas Distribution Company Limited, which are

Intraco Refueling Station Limited was incorporated with the Registrar of Joint Stock Companies and Firms (RJSCF) on March 27, 2007 and was converted into a Public Limited Company on June 28, 2015 under the Companies Act, 1994. The Company went for Initial Public Offering of shares in April 17, 2018 which was fully subscribed and issued. The Company was listed with Dhaka Stock Exchange Limited (DSE) on April 26, 2018 and Chittagong Stock Exchanges Limited (CSE) on May 06, 2018. The Authorized capital of the company is Tk. 1,000 million and paid-up capital 787.5 million.

Revenue

You are aware that the Company is involved in the operation of CNG Refueling Station in different places in Bangladesh. The turnover of the Company stood at Taka 114.67 Crore in 2018-2019. The CNG Refueling sector of Bangladesh is passing through climacteric time due to shortage of natural gas. Yet the efficient and prudent management of process control has enabled the company to avoid financial adversity and has earned profit.

The operating financial results of the Company for the year 2018-2019 as compared to previous year are summarized hereunder:

Industry outlook and possible future developments in the industry

The company has been operating in the market for a long time with reputation and commitment. With long experience in CNG refueling hospitality service, we are confident and believe that we can hold on our reputation by providing quality service. To enhance our future business periphery and create value for the Shareholders, we have taken in hand the following new projects which will result in financial growth in coming days.

- 1. LPG cylinder manufacturing plant at Sadar Dokkhin, Comilla.
- 2. LPG Refueling Station at different locations in the country, and
- 3. Expansion of the existing running Refueling Stations.

The Board of Directors has plan to set sales target at more than Tk. 140 crore for the next financial year, consisting of Tk. 120 crore from CNG Re-fueling Stations and TK. 20 Crore from LPG Cylinder Manufacturing plant.

Training:

To ensure better services to our valued clients, we arrange periodic onsite training of our staffs and technicians and other related employees. Also, we arrange periodic class room training in our Intraco Center to enrich their technical know-how with high quality standard. By this time most of our employees have been trained.

Segment Reporting

The company is operating its business with its homogeneous products/services in a single economic and geographical segment within the territory of Bangladesh.

Risk and concerns

Changes in the existing national policies can have either positive or negative impacts for the company. Any scarcity or price hike of CNG Gas due to change in policy of Gas supply company might hamper the production and profitability.

The performance of the company may also be affected by the political and economic stability in Bangladesh.

Similarly, risks factors of the industry depend on the Government polices as well. The government can suspend permission of any CNG Re-fueling station due to Low gas pressure.

Management Discussion and Analysis on Financial Position and Performance

For last five financial years the company generated moderate growth in sales. In 2015, sales stood Tk. 745 million and now in 2019 sales stand Tk. 1,146 million. In line with sales, net profit after tax had been increased from around Tk. 39 million in 2015 to Tk. 91 million in 2019. In the last five financial years, net operating cash flow per share was positive. In the backdrop of above scenario, it indicates the company is moving forward and it has good promise in the long run.

Accounting policy and estimation for preparing financial statements have been remained same as it was before. Hence, there is no effect in this regard.

Mohammed Riyadh Ali Managing Director

Independent Auditor's Report to the Shareholders of INTRACO REFUELING STATION LTD. & ITS SUBSIDIARIES

Report on the Financial Statements Opinion

We have audited the consolidated financial statements of **INTRACO REFUELING STATION LTD.& ITS SUBSIDIARIES**, which comprises the consolidated statement of financial position as at 30 June 2019; and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 30 June 2019, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter-Utilization of IPO Fund

We draw attention to note # 33 of the financial statements, which describes the utilization of IPO proceeds up to 30 June 2019 as certified by independent auditor, Shiraz Khan Basak& Co, Chartered Accountants. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidatedfinancial statements of the current period. These matters were addressed in the context of our audit of the consolidatedfinancial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| SI | Risk | Our response to the risk |
|----|--|---|
| 1. | Revenue Recognition Refer to note #22 to the financial statements. At year end the Group reported total revenue of BDT 1146.77 million. Revenue is measured earned by customers on the company's sales. Within a number of the Group's markets, the estimation of recognized based on sales made during the rear is material and considered to be complex and judgmental. Therefore, there is a risk of revenue being misstated There is also a risk that revenue may be overstated due to fraud through manipulation of the recognized resulting from the pressure; management may feel to achieve performance targets. | Cross match sales order , sales invoices and dispatch carefully; and Timing of revenue recognition. Our substantive procedures in relation to the revenue recognition comprises the following. Obtaining supporting documentation for sales transactions |
| 2. | Measurement of deferred tax liability Refer to note# 14 to the financial statements. At year end the Group reported net deferred tax liability totaling BDT 105.19 million as at 30 June, 2019. Significant judgment is required in relation to deferred tax liability as their recoverability is dependent on forecasts of future profitability over a number of years. | Company's future taxable income. • We also assessed the completeness and accuracy of the |

Other Information

Management is responsible for the other information. The other information comprises the information including Director's report included in the annual report but does not include in the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error. The Companies Act, 1994 require the Management to ensure effective internal audit, internal control and risk management functions of the Company.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of theseconsolidated financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is
 higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresenta
 tions, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropri ate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclo sures, and whether the consolidatedfinancial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994 and the Securities and Exchange Rules 1987, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Group so far as it appeared from our examination of these books;

- c) the consolidated statements of financial position and the consolidated statements of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns; and
- d) the expenditure incurred was for the purposes of the Company's business.

Independent Auditor's Report to the Shareholders of INTRACO REFUELING STATION LTD.

Report on the Financial Statements

Opinion

We have audited the financial statements of INTRACO REFUELING STATION LTD. which comprise the statement of financial position as at 30 June 2019, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 30 June 2019, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company and the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter-Utilization of IPO Fund

We draw attention to note # 34 of the financial statements, which describes the utilization of IPO proceeds up to 30 June 2019 as certified by independent auditor, Shiraz Khan Basak& Co, Chartered Accountants. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| SI | Risk | Our response to the risk |
|----|--|--|
| 1. | Carrying value of investments in subsidiary by the Company Refer to note #07 to the financial statements. The company has invested in equity shares of its subsidiaries MHYE & | We have reviewed management's analysis of impairment assessment and recoverable value of subsidiary in accordance with IAS-36. |
| | CO.CNG Refueling Station Ltd, East End Automobiles Ltd, Nessa& Sons Ltd, Absar& Elias Enterprise Ltd, and Good CNG Refueling Station Ltd. As at 30th June, 2019 the carrying value of the investment is BDT 104.89million. | In particular, our discussions with management were focused on the continued appropriateness of the value in use model, the key assumptions used in the model, the reasonably possible alternative assumptions, particularly where they had the most impact on the value in use calculation. |
| | At the time of audit of our separate financial statements of the company, we have considered the recoverable value of the company's investment in the subsidiariesM HYE & CO.CNG Refueling Station Ltd, East End Automobiles Ltd, Nessa& Sons Ltd, Absar& Elias Enterprise Ltd, and Good CNG Refueling Station Ltd. | We also checked the mathematical accuracy of the model, recalculated discount rate used within the model, inputs used in the determination of assumptions within the model were challenged and corroborating information was obtained in reference to third party sources. |
| | Management has conducted impairment assessment and calculated recoverable value of its subsidiariesM HYE & CO.CNG Refueling Station Ltd, East End Automobiles Ltd, Nessa& Sons Ltd, Absar& Elias Enterprise Ltd, and Good CNG Refueling Station Ltd. in accordance with IAS-36. | |
| 2. | Measurement of deferred tax liability Refer to note# 15 to the financial statements. Company reported net deferred tax liability totaling BDT 26.53 million as at 30 June, 2019. Significant judgment is required in relation to deferred tax | We obtained an understanding, evaluated the design and tested the operational effectiveness of the Company's key controls over the recognition and measurement of deferred tax liability and the assumptions used in estimating the Company's future taxable income. |
| | liability as their recoverability is dependent on forecasts of future profitability over a number of years. | We also assessed the completeness and accuracy of the data used for the estimations of future taxable income. |
| | | We also assessed the appropriateness of presentation of disclosures against IAS 12 Income Tax. |

Other Information

Management is responsible for the other information. The other information comprises the information including Director's report included in the annual report but does not include in the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error. The Companies Act, 1994 require the Management to ensure effective internal audit, internal control and risk management functions of the Company.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of thesefinancial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design
 and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to
 provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for
 one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994 and the Securities and Exchange Rules 1987, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of these books;
- c) the statement of financial position and statements of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns; and
- d) the expenditure incurred was for the purposes of the Company's business.
